

**Hello
NATURE®**

ORGANIC SOLUBLE COPPER FUNGICIDE WITH PLANT STIMULATING PEPTIDES

The ally for all crops!

SCUDO is a copper-based product with rapid penetration and systemic action, effective on all types of crops.

The advantages

- Very good penetration of Copper and Peptides into the plant
- Systemic effect within the plant
- Rapid correction of copper deficiency
- Effective for both preventive and curative treatment
- Improvement of the plant's health status
- No risk of leaching in case of rains
- Miscible with most plant protection products and fertilizers
